

## Think you have all the latest accessories?

If you think you have all the accessories you need for your PC? Think again, Tigerdirect are selling a product that will finish that perfect PC and make you the envy of all your friends!

Check it out , the new ThermalTake XRay 5.25 Drive Bay Cup Holder and Cigarette Lighter!!

So you can run your cellphone charger, PDA, notebook or similar devices while you enjoy a cool one. I'm not sure I'd use the cigarette lighter, or anything that draws high current - it might just fry your PC's power supply. None the less, it's a pretty sweet thing for LAN party gamers!
